OF THE EUROPEAN FEDERATION OF ANIMAL SCIENCE

## Session 22b. LFS innovations for local/rural development

*Chairs: Isabel Casasús, Benoît Dedieu*

*EAAP Mediterranean WG*

*Liflod Network (Livestock farming and local development)*

### Objective

**To analyze the contribution of livestock farming to sustainable development at the local level**

- How is farming a resource for local development?  
(products and short chains, land, biodiversity , society)
- How do local actors operate? How to integrate them in participatory approaches?  
(drivers, strategies, demanded policies)
